**Subject:** Project Review Committee - LWSO Presentation

Dear Ms. Hofstad,

Thank you for all the information that you provided us to prepare for the Lake Washington School District presentation to the Project Review Committee later this week. We appreciate the opportunity to be able to offer our submittal to the Committee for consideration and to be granted a time to present to them.

At this time, the Lake Washington School District has decided to withdraw our current request for GCCM entity status. After reviewing the additional questions the Committee posed, we believe that it would be appropriate for us to continue building our GCCM experience on a project by project basis. To that end, our desire is to continue with our already approved GCCM Lake Washington High School project and then to submit for GCCM approval for individual projects as is appropriate. As such, we respectfully request that you cancel our presentation later this week and look forward to a future time when we can present to the Committee.
